

**ASSISTANCE FOR ADMINISTRATIVE SERVICES DIVISION STAFF  
ELIZABETH EDWARDS**

The Human Resources Branch's (HRB) Transaction Supervisor, Elizabeth (Liz) Edwards, lost her husband in a tragic automobile accident on January 2, 2010. He was 43 years old. Liz has three young children to support. Many people have expressed the desire to help Liz during this difficult time. It is HRB's opinion that the best way to assist Liz and her family is through a monetary contribution that Liz can use to assist with costs in raising her three children.

The Administrative Services Division (ASD) is turning to the Air Resources Board's family to assist Liz during this time of tragic loss. Contributions can be brought to Sheryl Brooks, Cathy Nystrom, Carol Del Toro, or Julie Neale in HRB. HRB will present the money to Liz and her family on January 29, 2010.

Thank you!
